<https://www.cantoncountryday.org/get-involved/camp-country-day.cfm>

June 10 - 14 Outdoor Adventures

Hiking? We can do it! Picnics? This is the place! Observing animals and nature? There's nowhere better! Bring your sense of adventure and be ready to explore all of our 40 acre campus!

June 17 - 21 Doggies and Lions and Dinos OH MY!

It's a whole week of learning about and playing with animals! Dinosaurs can dance! Zoo animals will prance! Pets might wear pants! What? That's silly! We will discover how to care for a pet, dig for dinosaurs, play with animals visiting from the Akron Zoo, and spend time with a veterinarian who will bring some animals for us to meet!

June 24 - 28 Sail the CCD Seas

ARRR you ready for a Pirate adventure of scavenger hunts, ocean discoveries, tasting treats from the "sea," reading pirate books and a pirate party? We will make our own spyglass to search for treasure because "X" marks the spot!

July 1 - 5 Red, White, Blue, and YOU

Hip, Hip, Hurrah! It's Red, White, and Blue week! Get ready to fly your flag as we celebrate America's birthday with a parade, learn about national landmarks, and have a grand old time! **Please note there is no camp on July 4th.**

July 8 - 12 Let's Pretend

Billy Goats, Bears, and Pigs, oh my! Travel to fairy tale land where you can build a bridge to get away from the troll, try porridge with Goldilocks and the Three Bears, and build a wolf-proof house for the Three Little Pigs. End the week at our world famous Fairy Tale Tea Party! Bring your imagination, as this promises to be a great adventure!

July 15 - 19 Ooey Gooyey

Prepare to get messy! We will explore what happens when we mix materials to make goop, slime, glop, suds, playdough, mud, foam, salt paint and more! There will be inside activities and outside explorations! Every day, the children will take home their creations or recipes of the sensory items we discovered!

July 22 - 26 Ready, Set, Build

Future architects wanted! We will design and build structures out of wood, cardboard, plastic, foam and more. There will be a building challenge each day using legos, wooden blocks and even some surprise materials! We will use real blueprints and learn how to measure while creating blueprints of our own. The food we snack on will have to be "built" before we can eat it! It will be a construction week of fun!

July 29 - August 2 Community Helpers

Get to know some of the people who make our community a better place! Guests will include a librarian in the bookmobile, mail carrier, and our very own Chef Frank Esposito! We will also have a very special visit from some of our first responders. You won't want to miss this exciting last week of camp!

Camp Country Day provides exciting camps where children feel safe to explore their interests in technology, athletics, science, nature, and the arts in a non-competitive atmosphere. Each camp is staffed by CCDS faculty members who are there to meet the needs of the children and promote their development.

Daily Schedule

7:30 - 9:00 Before camp care available for an additional fee

9:00 - 9:20 Campers enjoy free time and go over the day's schedule

9:30 - 11:45 Fundamental theme based activities led by CCDS faculty members, with a short snack break mid-morning

11:45 - 12:45 Lunch - Lunch is included in the cost of camp. Menu available on request.

1:00 - 2:15 Rest time

2:15 - 2:45 Finish projects, free choice, or outside time

2:45 - 3:00 Popsicles and wrap-up

3:15 - 5:30 After camp care available for an additional fee

Wacky Wednesday

Weather permitting, Wednesdays will be a wet and wild good time, including slip-and-slide and sprinkler play!

All Camps Include:

- Morning snack and popsicle at the end of the day
- Lunch prepared by Chef Frank Esposito
- Exciting and educational theme based activities
- Opportunities for creative free play

Testimonials:

They have a variety of themes every week for the children...! We love it!

This summer will be her 4th summer and we always look forward to the fun themes they come up with every year. The price, programming, staff, and before and after care are all excellent!

My daughter loves exploring everything the beautiful outdoor campus has to offer! One of her favorite parts last summer was finding shells in the pond and going on creek walks. The hiking trails are very well maintained. We can't wait to see what the cool themes are this year and she hopes to attend an art camp. Any kid will have fun learning in nature plus more if they attend!!! P.S. the staff is wonderful as well.
