

Dear Parents and Guardians,

This letter contains information that you will help you and your child prepare for a successful experience at Camp Country Day.

Camp hours are from 9:00 AM – 3:00 PM. Extended care is provided from 7:30 – 8:45 AM and 3:00-5:30 PM, and must be prepaid. Information will be provided as soon as it is finalized. Campers who arrive at 8:45 or later or are picked up by 3:15 will not be billed for extended care. The day will be packed with activities, so campers are not to bring electronic devices.

Lunch prepared by Chef Frank Esposito is included, but a drink is not provided. We suggest that your child bring a refillable water bottle each day for lunch and to help them remain hydrated, as we do many outdoor activities.

All campers should be dressed in comfortable play clothes and shoes that are appropriate for the day's activities. Closed toe shoes are required for going in the woods, and shoes must have a heel strap in order for campers to go on the playground structure. There will be many outdoor activities so please apply sunscreen before sending your child to camp.

Please send a complete change of clothes, including underwear, in case of accidents, mud, etc. Please also send a small pillow for quiet rest time (cots are provided) along with a blanket and a small stuffed animal to cuddle with, if desired.

Each Wednesday will be Wacky Wednesday! Campers will play on the slip and slide in the morning. Campers should bring a bathing suit and towel. The day may change based on the weather forecast or other special events, but we will do our best to have this activity each week. If there is a change, we will let you know as far in advance as possible.

All non-CCDS campers must have a Camp Country Day 2019 Emergency Medical Information and Authorization form on file for summer camps. Parents of current CCDS students will be asked to verify information but will not need to fill out a new form. You only need one form for the entire summer for each child, however each child must have their own form on file.

We are looking forward to having a great adventure with your child this summer. If you have any questions, please don't hesitate to e-mail me at camp@cantoncountryday.org.

Thank you,
Brian Bortz
Camp Country Day Director
