### How do the rebates work?

- You can use gift cards purchased from T.R.I.P. when doing your daily shopping.
- Each gift card purchased earns a tax-free rebate which accumulates in your T.R.I.P. Account.
- You earn 75% of the total rebate. The remainder of the rebate goes to program overhead.
- Rebate credits are paid out after the December 16<sup>th</sup> and April 13<sup>th</sup> orders process.
- Give your family and friends your student's unique T.R.I.P. account number (created when you sign-up) so they may easily link to your family's T.R.I.P. account to help you save.
